WORK EXPERIENCE

Home Gardner 2017 - Now
Fresno, California

I learned how to care for plants by regularly watering and trimming them, as well as maintaining the lawn by mowing both the front and back areas. I also developed skills in trimming, sweeping, and applying treatments to manage pests every two weeks.

Trion Website 2024 - 2025
CART

I gained experience collaborating with a team of UX designers and web developers to create a website for a \$1.6 million supercar, honing my skills in teamwork, project coordination, and delivering high-quality web solutions.

Bot Creator 2024 - 2025
Fresno, California

I developed bots that automated the process of uploading images to a Discord channel, cropping them, and then distributing the images to designated locations based on specific criteria, allowing me to enhance my skills in bot creation and automation.

Origami Creator 2023 - 2025
Fresno, California

I learned the art of origami by folding paper to create multiple intricate wreaths for a client, developing my attention to detail and precision in crafting custom designs.

Awards & Certifications

- Principal's Honor Roll (Junior & Senior Year)
- Dual Enrollment Course Completion: Communications 8,
